

Preamble to e-Press Editorial Policies and Procedures

The publisher and Editor-in-Chief of the e-Press of the National Center for Health Behavioral Change expresses our appreciation to the Journal of Healthcare for the Poor and Underserved for use of their respected and utilized editorial policy and procedures as modified by the Publisher and Editor-in Chief e-Press of the National Center for Health Behavioral Change.

These policies and procedures will serve to guide e-Press publishing quality and the National Center for Health Behavioral Change publications going forward. These policies shall remain in effect until modified by the signatory of this statement.
